Meeting Date and Time

3rd Wednesday 10:30-12:00

Our Mission

The committee's purpose is to

- Be aware of the soul and spiritual health of the community with emphasis on how it affects the minister, the quality of relationships in the congregation, the minister's feelings, and his/her performance.
- Give feedback to the minister to help choose priorities.
- Enhance communication that affects the ministry of the church and the congregation.
- Provide a forum for the minister to explore ideas, concepts, and suggestions.

About Our Committee

Members of our committee are

- Actively involved in the congregation
- Intentionally sensitive to feelings and moods of the congregation

Because this is a ministerial relations committee designed to promote relations between congregation and minister, members are chosen by the Board and the minister. One member is chosen by the committee.
