Convener

Ernie Mills

Meeting Date and Time

Each Tuesday, 9 to 10 am

Our Mission

To exchange ideas, build community, and learn more about one another.

About Our Committee

The Men's Group started several years ago, with a relatively small group of men, who met to discuss issues affecting their daily lives. Now expanded to a group averaging 25 regular attendees per week, we continue this discussion and exploration in a safe environment. We encourage openness and acceptance of different ideas and beliefs.

All men are welcome to join us!
