Meeting Date and Time As needed

Our Mission

To nominate a slate of candidates for UUTC elected positions.

About Our Committee

Our singular focus is to select nominees for the next UUTC Board and Nominating Committee. We work individually or together in whatever manner is decided by the committee to

- Compile and prioritize a list of potential nominees
- Contact the selected individuals to determine their willingness to serve on the upcoming Board or Nominating Committee
- Finalize the slate of officers.

The committee is most active from January through April, during which time the committee meets with a wide range of UUTC members.
