### Our Mission

We promote social projects and programs of concern to our UU congregation, our community, and the larger world.

### About Our Committee

The committee meets monthly to discuss ongoing projects as well as to share ideas about innovative ways to reach out to our community. The focus of the committee changes all the time, as new needs of the community, whether near or far, arise. Everyone is welcomed and encouraged to bring their ideas to our group. New projects are always voted on by the committee before we get engaged.

Members have expressed interests in social action and a willingness to commit to being part of the committee beginning with attending the regular meetings. Meetings run an hour and a half each month. Other sub-groups may form requiring additional meetings, though many discussions are handled via email.

This is an open committee, and always welcomes new members.
